Business Overview

SBI Life Insurance Company Ltd is engaged in the business of life insurance and annuity. It was started as a Joint-venture between State Bank of India and BNP Paribas Cardif S.A.[1]

PROS (Key Strengths)

- Debt-free balance sheet provides financial flexibility and eliminates interest burden
- Very high interest coverage ratio reflects negligible financial stress from debt servicing

CONS (Risks / Weaknesses)

- Return on capital employed below 10% suggests the business is not generating sufficient returns on invested capital

CAPITAL ALLOCATION PATTERN: SHAREHOLDER RETURNS
